BABIES

Omaha, Nebraska— Opening Mother's Day weekend (Friday, May 7) at Film Streams' Ruth Sokolof Theater, **BABIES** is a visually stunning and joyful new documentary that simultaneously chronicles the lives of four of the world's newest human inhabitants — born to families in Mongolia, Namibia, San Francisco, and Tokyo — from first breath to first steps, on a journey at once universal and amazingly original.

In celebration of the film's Omaha premiere and Mother's Day weekend, Film Streams will be hosting some special BABIES-related happenings, including:

- **Babies for BABIES:** On Saturday, May 8 (11 a.m.) and Sunday, May 9 (11 a.m.), Film Streams will present a pair of baby-friendly screenings. Babies welcome, and all under the age of 2 attend free!
- **Free Popcorn for Moms:** On Mother's Day (Sunday, May 9), all Moms who come to see a show at Film Streams' Ruth Sokolof Theater, including all showings of BABIES, will receive a free small popcorn.
- **Share your baby pic, and win a Mother's Day Gift Package:** Share your own baby picture (or one of your baby) on Film Streams' Facebook page (<http://bit.ly/9jHqvD>) for a chance to win a package including a Film Streams Reusable Grocery Tote and 2 passes to see BABIES. A winner will be selected at random.

More about the Film: The adventure of a lifetime begins... BABIES simultaneously follows four babies around the world, from birth to first steps. The children are, respectively, in order of on-screen introduction: Ponijao, who lives with her family near Opuwo, Namibia; Bayarjargal, who resides with his family in Mongolia, near Bayanchandmani; Mari, who lives with her family in Tokyo, Japan; and Hattie, who resides with her family in the United States, in San Francisco.
